Camp Hill High School rules as specified in the student handbook/calendar shall applied during the entire length of the trip. Acceptable behavior is expected of all students since any lesser standard reflects negatively on band members, the school, the parents/guardians, and the community. Accordingly, failure to abide by the school rules may result in being sent home from the trip (at the student's expense), and/or disciplinary action upon returning home. Disciplinary action will be in accordance with the offense and may range from detention to suspension. Any additional trip expenses incurred as a result of student behavior problems will be the responsibility of the offending student.
