

**CAMP HILL BAND BOOSTERS  
STUDENT SALES/TRIP CONTRIBUTIONS  
2011-2012**

**Purpose:**

In order to prevent confusion and misunderstanding, the following policies have been established to govern the accumulation of trip contribution credits for the sale of fudge and similar activities for the members of the Camp Hill 7/8 Grade Band and Senior High Band, Color Guard and Managers. Trip contribution credit can also be earned for service activities as outlined below:

**TRIP CONTRIBUTION CREDIT POLICIES:**

1. A student will earn one credit for each box of fudge sold.
2. A student will earn one credit for each \$17.00 of pizza/snacks sold.
3. A student will earn one credit for every \$100 Giant or Karns gift cards sold up to January 31. Gift cards sold after January 31 apply to the Spring Band trip of the following year. Indoor Guard participants may additionally apply Gift Card credits earned from Feb 1 – March 31 toward a trip to perform at TIA All-Chapter Championships.
4. A student will earn one credit for each hour of approved service. Service activities include working the fudge weekend, distributing pizza/snacks, time spent as a student music librarian, and time in other activities as determined by the band director. A total of 20 hours for Senior High students and a total of 10 hours for 7/8 grade students per year can be earned working fudge, pizza/snacks, library, etc. In order to earn credit for service activities, the activity must be approved in advance by the band director.
5. Credits will be earned for one school year only-i.e. sr. high band student earning 100 credits cannot transfer the extra 10 credits to the next school year.
6. Credits may not be transferred between students who are not in the same family.

**QUOTAS**

The executive committee has set the trip contribution credits at 25 for all 7/8 Grade Band and Color Guard members and 90 trip contribution credits for all Senior High Band, Color Guard and Managers. Each hour of approved service (as defined above) from any band member or parent/guardian of a band member can be used as one credit toward the total quota for that student. Fudge work hours will be determined at a later date but are not to exceed 10 hours for Senior High members. 7/8 Grade Band members do not participate in the making of fudge but may qualify for set-up and clean-up hours if they are available. Hours may be worked by the band member or parent/guardian only. Families with more than one student in the same band going on the band trip will be entitled to a reduction in the credits according to the following rules: If you have a senior and a freshman and only the freshman is going on the trip, then the freshman is considered your first student and must meet the full quota.

1. The first student will meet 100% of the quota (90 Sr – 25 7/8)
2. The second student will meet 75% of the quota (68 Sr – 18 7/8)
3. Each subsequent student will meet 50% of the quota (45 Sr – 13 7/8).

Students failing to meet their trip contribution credits may still attend the band activities by contributing \$5.00 in place of each credit not earned.
