

# CAMP HILL BAND BOOSTER ASSOCIATION

**HIGH SCHOOL  
NEWSLETTER  
July 2009**

## **SPIRIT WEAR SALE**

The Boosters provide one T-shirt for each student for the marching band season. The shirt was designed by a committee of band seniors: Zach Barnes, Addie McInnes, Max Merlina, Claire McNally, Maddie Seefeldt, Matt Ulsh and Andrew Cameron.

## **PARENT GET-TOGETHER**

We welcome and encourage all parents (especially freshmen parents) to join us Tuesday evening, Aug 4, 7:00 to 10:00 at Janet McNally's house (399 N 26<sup>th</sup> Street) for a band parent get together. It's part social, part informative, lots of fun. We'll be there to answer any questions you might have ("*What's a TOB*", and *what's Zirkle Time*", or "*can I hoot and holler at performances and not embarrass my children*", and "*how can I help out*"), show some items offered in our Spirit Sale, and hopefully prove that it's not just our kids who can have fun with band. Micki Kautz, our "band-mover", will also be there, so it's a great opportunity to sign up early for the chaperoning spots you want. AND, after practice ends, the marching band staff will join us – so it'll be an opportunity to meet the people who are so involved behind the whole process. Besides that, we'll have snacks and drinks – who can say no to that?!

So join us before you pick the kids up, or after you take them home from practice – or the whole time. We look forward to meeting all of you and seeing you there.

EARN CREDITS FOR THE BAND TRIP

The busy time is September, December and January  
LET MR. ZIRKLE KNOW ASAP IF YOU ARE INTERESTED

## FUNDRAISING

Although Band Boosters conducts fundraisers for more than the annual Band trip, the trip is the focus for most of these activities. Band members can earn credits towards the trip by participating in the Pizza and Fudge sales and with the grocery store gift card program.

### Giant/Karns Certificates

All students can earn credits throughout the year by using Giant or Karns certificates for your weekly grocery shopping and gas purchases. For every \$100 worth of certificates purchased, your child earns (1) credit. Purchase Giant certificates from either Orrstown Bank or Holmes Cycling. Karns certificates can be purchased by contacting Jane Hartman at 737-7879

### Student Sales/Trip Credits 2009-2010

#### Purpose:

In order to prevent confusion and misunderstanding, the following policies have been established to govern the accumulation of credits for the sale of fudge and similar activities for the members of the Camp Hill 7/8 Grade Band and Senior High Band, Color Guard and Managers. Credit can also be earned for service activities as outlined below:

#### CREDIT POLICIES:

1. A student will earn one credit for each box of fudge sold.
2. A student will earn one credit for each \$17.00 of pizza/snacks sold.
3. A student will earn one credit for every \$100 Giant or Karns gift cards sold up to

### PIZZA/SNACK SALE

This is our first sale and forms will be handed out by the Section Leaders at Band Camp. Keep in mind that it is a school policy that there are "no door to door solicitations by students alone without an adult".

rector.

5. Credits will be earned for one school year only-i.e. Sr. High Band students earning 100 credits cannot transfer the extra 10 credits to the next school year.
6. Credits may not be transferred between students who are not in the same family.
7. A \$1.00 cash incentive will be awarded for every box of fudge sold over the quota. This is actual boxes sold and does not include any credits earned by service hours, pizza/snacks, or Giant and Karns certificates.

### QUOTAS

The executive committee has set the trip credits at 25 for all 7/8 Grade Band and Color Guard members and 90 credits for all Senior High Band, Color Guard and Managers. Each hour of approved service (as defined above) from any band member or parent/guardian of a band member can be used as one credit toward the total quota for that student. Fudge work hours will be determined at a later date but are not to exceed 10 hours for Senior High members. 7/8 Grade Band members do not participate in the making of fudge but may qualify for set-up and clean-up hours if they are available. Hours worked can be by the band member or parent/guardian only. Families with more than one student in the same band going on the band trip will be entitled to a reduction in the credits according to the following rules: If you have a senior and a freshman and only the freshman is going on the trip, then the freshman is considered your first student and must meet the full quota.

1. The student will meet 100% of the quota (90 Sr – 25 7/8)
2. The second student will meet 75% of the quota (68 Sr – 18 7/8)
3. Each subsequent student will meet 50% of the quota (45 Sr – 13 7/8).

Students failing to meet their trip credits may still attend the band activities by contributing \$5.00 in place of each credit not earned.
